

Case Preparatory Academy

2020-2021

All students are expected to come to school in clean and properly fitting uniforms with their hair styled neatly and with the proper hygiene. Daily personal grooming is very important. Pride in one's appearance is the first step in gaining self-esteem and confidence. Parents will be contacted if a student is out of uniform or comes to school poorly groomed.

The student dress code is an important part of the school program and philosophy. In making the choice to attend Case Preparatory Academy, the student with parent support agrees to follow all dress code requirements. The dress code is not an option for the student or parent. Not choosing to follow the dress code may lead to a change of learning modality.

The teacher and instructional aide are the prime enforcers of this policy. Occasionally, the building Administrator may have a building "dress down" day when students and staff may dress down (in reasonable fashion).

The student dress code is as follows:
