

Hello Case Preparatory Families,

We aim to ensure your student has the best education possible. In selecting Hybrid learning (in school Monday/Tuesday traditionally and online from home Wednesday/Thursday/Friday), it is important that your student is present for online instruction. If you are finding that this schedule does not work for you, we have spots available for them to attend traditionally. Meaning they will be here Monday through Friday. We want what is best for your family. Our goal is to prepare them to be as successful as possible. Please contact the Office Manager at Case Preparatory Academy at 330-394-0485.
