

Hello Case Prep Families! My name is Mrs. Gross, and I am the music and art teacher at Case Prep. We are nearing the end of the 1st quarter and there are still many students without the basic supplies needed for class. School supplies are essential and kids can't learn properly without having supplies. Children have to be equipped with what they need in order to have a better learning experience. The stress of feeling left out and different can lead to a lack of focus. Being prepared keeps children motivated and excited.

Due to Covid19, I can only provide supplies to the students that can be wiped down and sanitized. With so many students not having supplies, I often run out and the students have to sit at their seat doing nothing, which does not create a good learning environment.

Please send the following supplies with your child every day.

Pencils

Crayons, markers, or colored pencils

Glue stick

Scissors

Thank you for your cooperation.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Mrs. Gross
