

## **CASE PREPARATORY ACADEMY**

### **K-4 HYBRID STUDENTS**

- Students need to bring their computer from home to school on Monday and Tuesday
- If you have changed the password, please write it on the paper taped to your student's Chromebook
- Please make sure to charge the Chromebook the night before sending it to school with your student
- Your student will still be learning virtually on the days that they are in the school building
- If your child did not bring their computer today, their password has been changed; it is learn2021

**Parents, thank you for your assistance with Case Preparatory making your child's Hybrid experience successful.**
