Dear Parent/Guardian:

Greetings. My name is James. T Burns, and I have the honor of being the new Principal of Case Preparatory Academy. I am truly excited about the role I have been tasked to serve. I will work diligently to ensure all academic school goals are met, while I provide a safe, structured learning environment.

My primary focus during my second year as Principal is to ensure the school's culture is firmly in place and we continue to reach our educational goals for the school. Our school's theme this year is NO EXCUSES! In order to achieve this, additional training with teachers and staff will be a priority to secure an environment of quality academics and a positive school culture. My person experience has solidified that as a result of a firm, fair, and consistent approach to instruction- with a focus on social and emotional learning- school culture excels, academic goals are reached, and enrollment soars. That is what we want to continue to push for through the school year for Case Preparatory Academy!

I sincerely look forward to a strong, collaborative, and productive working relationship, and the opportunity to meet with parents and families throughout the year. I am available to meet as needed; please feel free to set an appointment with our Office Manager, Ms. Young. I look forward to the safe and productive school year ahead.

Yours in Education,

James T. Burns, M.S.S.A, M.Ed.
