Board of Directors

Dear Board of Directors:

The Board of Director's Safe School Policy requires that the School Leader provide the School's Board President a semi-annual written summary "limited to the number of verified acts of harassment, intimidation and bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events." Pursuant to this policy, we are reporting via this letter that your School has had 2 verified acts of harassment, intimidation, and bullying for the second half of the 2022-2023 school year from January 2023 - June 2023.

We appreciate all that you do for your school and will continue to follow Board Policy requirements on reporting.
